

## MEET MRS. SCALES

SPEECH-LANGUAGE PATHOLOGIST

Tracie Scales is a licensed and nationally certified Speech-Language Pathologist (CCC-SLP) with two graduate degrees and experience providing therapy in both school and medical settings. Mrs. Scales also has a background performing clinical research studies and enjoys staying abreast of evidence based practice and cutting-edge therapy techniques. Her goal is to help each child she treats reach their full potential while also enjoying their time in therapy.

**“The way we talk  
to our children  
becomes their  
inner voice”**
