About Me...

I have been teaching P.E. for 25 years (all in St. Johns County). I love making physical activity fun to encourage a lifelong active lifestyle in others. I graduated from University of Florida with my Bachelors degree and Ashford University with my Masters degree. I was National Board certified for many years and have been Teacher of the Year two times.

I have an amazing husband and two incredible sons (20 and 18 yrs. old). I am super excited about another great year at PVA!!
