## About Me...

I have been teaching P.E. for 26 years (all in St. Johns County). I love making physical activity fun to encourage a lifelong active lifestyle in others. I graduated from University of Florida with my Bachelors degree and Ashford University with my Masters. I was National Board certified for many years and have been Teacher of the Year two times.

I have been married to my amazing husband for 26 years we have and two incredible sons (21 and 19 yrs. old). I am super excited about another great year at PVA!!
