

Meet Ms. Baxley

I am so excited to be at PVA this year! I am a proud graduate of Florida State University. This will be my 6th year teaching! I just moved back home to Ponte Vedra from two years away teaching in Temecula, California and Seattle, WA. I have a wonderful fiancé and a very crazy dog named Bogey! I can't wait to get this year started!

"The capacity to learn is a gift; the ability to learn is a skill; the willingness to learn is a choice."

– Brian Herbert
