

Meet Mrs. Conley

About Me

Hi! I'm Kim Conley and I am thrilled to be a part of the Bobcat Family. I am a Jacksonville Beach native and was a teacher in Duval County for 17 years. I've taught Kindergarten, first, and second grade. I am blessed to have a sweet blended family with 5 wonderful children. No matter what this year may bring, please know we are in this together. I can't wait to meet you and begin a fun-filled year in first grade! ❤️
