

Meet Mrs. Houser

Favorites

My favorite teams are the Georgia Bulldogs and the JAGS! I love seafood and I sip on sparkling water all day after my MUST HAVE coffee. I get a little creative sometimes when picking out my clothes. I enjoy color and patterns. Lipstick, fun earrings, and the gym are day changers for me. Laughing and positivity are what I thrive on.

About Me

Hello, I am Katie Houser. This is my third year at PVA. I have been teaching since 2004.

I have taught pre-k, kindergarten, second grade, fifth grade, and was an Instructional Math Coach. This year will be my 7th year teaching second grade. I am also a wife and a mom to a teen and toddler. I have an Elementary Ed. Degree from UNF (SWOOP!). Teaching is the only thing I could ever see myself doing. I look forward to observing all the growth my kids will make this year.

Advice for 2nd Graders

- Always be a good friend
- Always keep trying
- Never be afraid to ask for help!
