

Meet Mrs. McVay

Hello PVA Family!

I am so excited to be your 1st grade teacher this year! I have 9 years of teaching experience and a passion for teaching the whole child! I enjoy making learning fun and building relationships with my students and their families! I can't wait to get the school year started!

"Every child deserves a champion: an adult who will never give up on them, who understands the power of connection, and insists they become the best they can be."

-Rita Pierson-

I am a graduate of the University of North Florida with a degree in Elementary Education and a certificate in Special Education. I have a wonderful husband and a 5 year old daughter and 8 month old son. They are my heart and soul! I spend most of my "free time" with my family and going on adventures. Education has always been an important part of my life, and I hope to share my love for learning with each and every student!
