

# Mrs. Satterfield

I'm looking forward to being a PVA Bobcat for my 12<sup>th</sup> year of teaching. I will be your Math and Science teacher. Since my husband's retirement from the military, my family has called Florida home for three years. I'm a proud mom of two boys and love to support them in their hobbies.

"As much as talent counts, effort counts twice."

-Angela Duckworth,  
*Grit*
