ATTENDANCE

- Regular attendance is essential to the development of good math skills. When a student is absent, it is important that they check Schoology for the notes/handouts prior to class.

HOMEWORK

Homework is assigned nightly, with the exception of the weekends.

The expectation is that students complete the homework, check the answers with the key provided on Schoology, and come to class prepared with any questions.

Actual time will vary with each student's study habits and academic skills.

If a child is spending an inordinate amount of time on homework, please contact us.

Homework will be communicated via Schoology.

PARENT CONFERENCES

If there is ever a time you would like to speak with me about your child's learning environment, feel free to send an email with any questions, or reach out and we can schedule a virtual conference.
