Dear PVA Families,

It is hard to believe that we are in the home stretch of the 2020-2021 school year. We are ready to finish strong and you can help us by talking to your students about their accomplishments, their goals, and how they display our PVA PRIDE each and every day. We have so many things to celebrate over the next few weeks and we are all looking forward to a wonderful remainder of our school year.

Please take time to review the newsletter for important information on new student registration, close out procedures for the clinic, updated testing calendars, testing tips, and of course many student recognitions and school events.

Save the date for June 3rd and June 4th! Clean out those closets, drawers, garages, and storage areas. We will be hosting a Goodwill Bag It Up Donation Drive the first week of June. Donation bins will be outside in the car loop and bus loop both days. We are ready to Bag It Up and support Goodwill and our community.

Enjoy time outside as a family this month, remember those water bottles for school each day, and thank you in advance for keeping up with a clean mask or two as we finish our time together this year.

We Can, We Will, We Must! Go Bobcats!

Until next time, be well.

Sincerely,

Jessica Richardson— Principal

Spring Testing Schedules

How to help your child navigate this testing season?

It's officially spring. While that may mean warmer temperatures and flower buds, in many places across the country, it also means testing season. Many students are taking standardized tests at this time of year and some can feel overwhelmed by the lengthy exams. As a parent, you can play an important role in helping your children give their best performance on a test.

Check out these tips for a better testing experience:

The Night Before Testing:

1. Be sure your child gets to bed on time. Research shows that a well-rested child will perform better in school.
2. Help children resolve any immediate arguments before going to bed.
3. Keep your routine as normal as possible. Upsetting natural routines may make children feel insecure.
4. Mention the test to show you are interested but don't dwell on it.
5. Plan ahead to avoid rushing on the morning of the test.

The Morning of the Test:

1. Get up early to avoid rushing, and be sure your child is at school on time.
2. Provide a good breakfast for your child, but not a heavy one.
3. Have your child dress in something comfortable.
4. Be positive about the test. Acknowledge that tests can be hard and encourage your child to do their best.

After the Test:

1. Talk to you child about his/her feelings about the test and make sure you acknowledge their efforts.
2. Discuss what was easy and what was hard; discuss what your child learned from the test.
3. 3. Explain that performance on a test is not a condition for you to love your child; you love your child for the person he/she is.

eSchoolPLUS Family Mobile App

Parents/Guardians,

The St. Johns County School District (SJCS D) has recently implemented the eSchoolPLUS Family Mobile App for parents/guardians. This mobile app allows parents to see many of the Home Access Center (HAC) features from their mobile phone. This application uses the same login credentials as Home Access Center (HAC).

[Here is what the eSchoolPlus Family app looks like in the app store \(Apple or Google\):](#)

In addition, we discovered that some parents were using other untrusted 3rd party mobile apps to provide similar data pulled from our system by providing them with their personal HAC credentials. This can be dangerous because, the District has no connection or affiliation with these other vendor apps. By providing them with your credentials, you have granted them access to your child's personal academic data. If this is the case, we recommend you remove the 3rd party app from your phone and then change your password in HAC. Then download and use the new eSchoolPLUS Family app (shown above).

FAQ for Emergency Order 2021-EO-02

FAQ for Emergency Order 2021-EO-02 (Spring 2021 Assessments, Promotion, Retention, Graduation, VPK)

The SJCS D Guidance Department has provided an FAQ to answer common questions about Executive Order Number 2021-EO-02 which was recently issued by the Florida Department of Education. The FAQ discusses the impact Executive Order 2021-EO-02 will have on assessments, promotion, retention, graduation, and VPK. View the [FAQ for Emergency Order 2021-EO-02](#).

SAC Survey

To continue to provide the highest quality of education and build the strongest student-adult relationships, the School Advisory Council of Palm Valley Academy asks you to please take a moment to participate in the following Parent/Guardian Palm Valley Survey. Your comments will help drive decision making and assist in process improvement for your school. This survey should take no longer than a minute or two. Thank you in advance for time and feedback!

****Only ONE survey per family is required. The survey is open from May 3 – May 14.**

Health Clinic Updates

Alice Fasula, BSN, RN

Kara Whitchurch, BSN RN

Health Clinic Webpage: <https://www-pva.stjohns.k12.fl.us/clinic/> .

Found under "Departments" on PVA website

If your student has medication in the clinic: Please make time to stop by to pick it up before the end of the school year. District policy does not allow for medication to remain in the school over the summer. It will be important for you to make arrangements to pick up your child's medication since medications may not go home with the student. **Any medication left in the clinic after Friday, June 11th at 11:00 a.m. will be discarded according to district policy.**

Paperwork for next year: New medication orders must be completed every school year. Medical paperwork is standardized across the St John's District. Whether you are attending PVA or Pine Island Academy, medical forms can be downloaded from the PVA Health Clinic Page (see link above). If your child has a physical examination during the summer months, this is a good time to get the medication forms completed.

Top Tips for a Healthy and Safe Summer

1. Beat the Heat: Wear your sunscreen, sunglasses, and a hat.
2. Go hiking, biking, swimming but NEVER alone. Grab a buddy.
3. Stay Hydrated. Get in the habit of carrying a water bottle with you.
4. Look both ways when crossing the street. Left, right, then left again.
5. Wear your helmet and life jacket
6. Enjoy some of summers best fruits and veggies: strawberries, blueberries, watermelon, cantaloupe, tomatoes, corn, zucchini, bell peppers.

Testing Tip of the Month: Make sure to catch your Zzzzz's

Students should strive for 9-12 hours of sleep per night.

Studies have shown that kids who regularly get an adequate amount of sleep have:

- Increased attention for learning
- Better behavior
- Boosted memory
- An overall improved mental and physical health.

Ways to help sleep at night:

- Set aside electronics before bed and keep them out of the room.
- Limit caffeine and sugar in the evening
- Try a quiet activity before bed such as reading, listening to music or journal writing.

Just For Laughs: Do fish go on vacation?

ANSWER: No because they are always in school.

Math Study

teachingisproblem SOLVING

Teachers in our school are participating in a research study conducted by Florida State University to better understand how a professional learning program for teachers called Cognitively Guided Instruction impacts mathematics teaching and learning. You have the right to have your child's information withheld from the study if you do not wish to participate. Please review the parental notification letter here for more information about the study. <https://teachingisproblemsolving.org/parental-notification>

Attention 6th Grade Parents

The Tdap immunization is required for all 7th graders. Proof of this immunization on the DH 680 Form can be brought to the front office, faxed (904-547-4205), or emailed to Mary.Dominguez@stjohns.k12.fl.us even if your student is still in 6th grade. Please do this as soon as your child receives their shot.

Per district policy, all 7th grade students are required to submit an updated DH 680 form to include Tdap, prior to the start of 7th grade.

Summer Basketball Camp

Bailen Basketball **Summer Basketball Camp** **@ Nease High School**

Boys and Girls Head Coaches
Sherri Anthony & Josh Bailen
Boys and Girls entering 4th - 9th Grade
Monday- Friday Time: 9am - 12pm

Coach Bailen's Basketball camps is the place for fundamental basketball teaching and fun! Successfully hosting hundreds of kids in the community every summer over the last 10 years!

The camp director is Nease Head Boys Basketball Coach Josh Bailen. Josh Bailen played High school basketball at Nease graduating in 2006, Played 4 years of NCAA DIII basketball at Ripon College, WI. For legendary Coach Bob Gillespie. Coach Bailen coached at the NCAA DI level as a Graduate Assistant at Jacksonville University under Cliff Warren from 2010-2012.

The camp is coed and players will be grouped according to both age and skill level. It is highly instructional so that both experienced and inexperienced players will both benefit from the camp. Emphasis is placed on individual skill development and the understanding of team offensive and defensive concepts in a fun, competitive environment. Camp staff will consist of former and current high school coaches and current and former high school and college players.

Leadership & Character Development:

Developing young athletes into leaders on their team and in their community.

Some of the most important lessons in life can be learned through the game of basketball. How individuals respond to adversity and obstacles is where true character is revealed. We believe in instilling qualities in our players that help them succeed not only on the court but in life. We choose to lead by example and never allow the intensity of the game diminish that standard. We believe in building character and leadership traits in our players not only maximizes our success on the court but in life, long after our playing days are over.

Facility -The Panther Den is an air-conditioned gym with 6 glass backboards with breakaway rims. Campers will have access to state of the art training equipment and automatic shooting machine, restrooms, water, and camp store.

Camp Outline and Highlights

Fundamental Skill Development Stations

Small Group Skill stations are our primary focus of the camp. We approach fundamental skill development with passion and enthusiasm! Coaches will teach the campers that game speed repetition and attention to detail is the key to improving skills. Our stations include a variety of passing, shooting, ball handling, defensive drills. We TEACH the fundamentals of the game. Our coaches differentiate our instruction to the individual needs of each camper.

Competitions & 1/2 Court Games

1 on 1, 2on2, and 3 on 3 Tournaments. Hot Shot/ Shooting contests, and more! Campers earn prizes and championships in our daily contests and games.

Live Full Court Play

We apply the fundamentals that we teach in our stations to the live action. Campers are grouped according to age and skill level.

Campers must bring: Basketball shoes, shorts, t-shirt, water bottle, and any other necessary personal items. Money for the camp store is recommended (pizza, hot dogs, snacks, Gatorade, water)

Each Camper will receive a T-Shirt, Prizes, as well as an individualized report card with specific feedback for their individual development!

Media Center Fun!

April was School Library Month and we had some fun **celebrations** in the Media Center. We had a book trivia for one week and it was hugely popular. We drew five winners each day. Our two media specialists, Ms. Fry and Ms. Hoppenworth, also hid their bitmojis all around the school for students to find and bring in for a prize.

Students showed their love for the library by writing their kind words and thoughts on heart papers.

This year we've had some great participation with so many students reading and reviewing our SSYRA books! We wanted to share our **Window Walls of Fame**. We are so proud of all our many voracious readers!

We also want to highlight **Ms. Root's 3rd grade class** for their beautiful projects that we are now showing off in the library. Great job, students! You all did an amazing job!

***Reminder: All library books are due back to the Media Center by May 14th. Don't forget! Don't forget! ☺ ☺

Media Center Fun!

Our highlight book for middle school for the month of May is *The Remarkable Journey of Coyote Sunrise* by Dan Gemeinhart.

Five years.

That's how long Coyote and her dad, Rodeo, have lived on the road in an old school bus, criss-crossing the nation.

It's also how long ago Coyote lost her mom and two sisters in a car crash.

Coyote hasn't been home in all that time, but when she learns that the park in her old neighborhood is being demolished—the very same park where she, her mom, and her sisters buried a treasured memory box—she devises an elaborate plan to get her dad to drive 3,600 miles back to Washington state in four days...without him realizing it.

Along the way, they'll pick up a strange crew of misfit travelers. Lester has a lady love to meet. Salvador and his mom are looking to start over. Val needs a safe place to be herself. And then there's Gladys...

Over the course of thousands of miles, Coyote will learn that going home can sometimes be the hardest journey of all...but that with friends by her side, she just might be able to turn her “once upon a time” into a “happily ever after.”

Once you've read this book, come on in to the Media Center and pick up the activity for a prize. This one's EASY! Just answer the 3 questions that Rodeo and Coyote ask every potential passenger on their bus. 😊

“If you are going to get anywhere in life you have to read a lot of books.” – Roald Dahl
