April 2022

Greetings Bobcat Families,

I hope everyone is having a wonderful week and enjoying all the beautiful weather days we are having! Spring is in full session here at PVA. While we do have some testing going on, there are also so many wonderful learning opportunities happening as well. The Assistant Principals and I have all had the pleasure of visiting classrooms several times over the past month, and are excited to see all of the fun projects and learning happening within our walls.

With the spring season happening and as we near the end of the school year, there will be many activities planned, both on and off campus. Please make sure you are tuned in to correspondence from your child's teacher(s), as well as the communication that comes from the school, to stay on top of all the fun happenings at PVA. Also, please keep in mind that if you want to visit inside the school building, or chaperone a field trip or off campus school activity, you MUST be a cleared volunteer. Please access that application at <https://stjohns.keepntrack.com/apply/>

Finally, with the critical spring testing happening, please make sure you are aware of days that your child(ren) will be testing, and make sure they are in attendance. Make-up sessions will be administered, but can be difficult to schedule with our tight windows of testing times.

We still have much to teach, learn and do as we jump into the 4th quarter. However, we want to balance that with fun and educational experiences for our students. It is an exciting time, and we are so happy to be in this season of activity. Thank you for your continued support!

Sincerely,

Joy Reichenberg
Principal

COUNSELOR'S CORNER

The school year is winding down, but for some students, the anxiety is ramping up. We have heard, and many parents are experiencing that COVID has impacted children's mental health. Here at Palm Valley, we are seeing this through anxiety about coming to school, social anxiety, and depression. Our community is beautiful and our children have privileges and opportunities beyond what many of us experienced. However, there is no community untouched by mental health challenges.

The good news is that your PVA team of faculty and administrators are keenly aware of this. School counselors are here as a support system for your child and can help provide resources for your family, if needed. If your child needs a break or a listening ear at school, we are available. At home, we recommend the following- *for all children*:

- Keep a consistent routine and keep school a part of that routine. "Mental health days" might temporarily ease your child's anxiety about coming in on a Monday (or other day), but making this regular or keeping the idea of virtual schooling an option can demonstrate that uncomfortable situations can be avoided.
- Model healthy ways of coping. Show kids resilience when things don't always go right. They perceive how parents deal with stress. Let kids hear or see you managing it calmly, tolerating it, feeling good about getting through it.
- Practice open-ended questions. When your child comes home from school, you could ask, "What went right today and what did not go right? How did you deal with that challenge?" Or try "How do you feel about the test coming up?" as opposed to "Are you anxious for your big test?"
- Limit your child's phone use. During COVID, they probably utilized social media apps to connect with others, which at the time was one of the only options to socialize. Now, it also creates another level of social interactions to feel anxious about while they also now manage their in-person social circles. Moreover, children (and adults for that matter) may be accustomed to watching and following others, and when they can't do that, an unsettled feeling develops. Children feel anxious they are missing out on content, especially keeping up with peers.

When to contact us?

If you believe your child is experiencing difficulty at home or at school regarding academic achievement, family changes, social skills, or adjusting to transitions it may be helpful to contact your School Counselor via phone or email.

Hello Families and Happy Spring! In my K-3 classes, we are learning about emotions using the books, *A Little Spot of Feelings* and *A Little Peaceful Spot*, both by Diane Alber. We focused on identifying feelings, recognizing big feelings, and learning how coping strategies help bring us back to our peaceful spots. During the lessons, every child will make one coping tool to take with them. This is all made possible as a result of generous parent and PTO support.

With much gratitude for your continued partnership,

Karin Ngai-Crim

“Be Smart with your Smartphone: Teen Edition” *FBI, SJSO, and SJCSO help local teens recognize social media pitfalls*

St. Augustine, FL – The Federal Bureau of Investigation Jacksonville Division (FBI), St. Johns County Sheriff's Office (SJSO), and St. Johns County School District (SJCSO) have teamed up to help local teens better understand the risks associated with social media use, and the long-term impacts of unbecoming conduct online. As children and teens connect to the world through online games and applications, the potential for them to be victimized by predators and criminals increases substantially. Subsequently, how they respond to these threats could jeopardize their eligibility for future educational and professional opportunities.

On Thursday, April 21, representatives from the FBI, SJSO and SJCSO will host “Be Smart with your Smartphone: Teen Edition,” a program aimed to prevent more local youth from falling victim to online predators. Special agents from FBI Jacksonville who investigate crimes against children will warn of the latest methods that offenders are using to target and manipulate teens, as well as provide guidance and resources to report nefarious activity. Recruiters from the FBI and SJSO will also demonstrate how a teen's online presence can impact their future. While this content may be considered sensitive, it is applicable to any child or teen who has access to an electronic device with online games and applications.

Event: “Be Smart with your Smartphone: Teen Edition”

Date / Time: Thursday, April 21, 2022, 6:00 PM – 7:30 PM

Location: Creekside High School Auditorium, 100 Knights Ln, St. Johns, FL 32259

*Free and open to the community, including teens, guardians, and educators from neighboring school districts.

Health Services Parental Consent

Have you completed the Health Services Parental Consent Survey for your student?

Without parent consent on file, the office staff will be assessing your child when there is a health issue instead of the school nurse (Band-Aids, ice packs, temperature checks when not feeling well, etc.) and you will be called to pick your student up if further attention is needed.

- Please read the [Health Services Parental Consent FAQ](#), make your informed decision and complete the survey at the following link: [Parent Consent for Health Care Services \(office.com\)](#). You will need to know your child's student ID number.
- In the event of a medical emergency, school nurses and staff will respond appropriately as necessary to protect the student's health and safety given the circumstances of the emergency with or without consent.
- If you are not sure what your student's ID number is or are not sure if you filled this out already, please call the school and we can assist you. It will take 24 hours for this form to process in the school system to allow our amazing nurses at PVA to see your child during the school day should they need to visit the clinic.
- For more information, please call the Health Services Department at (904) 547-7693.

Attention 6th Grade Parents

The Tdap immunization is required for all 7th graders. Proof of this immunization on the DH 680 Form can be brought to the front office, faxed (904-547-4205), or emailed to Mary.Dominguez@stjohns.k12.fl.us even if your student is still in 6th grade. Please do this as soon as your child receives their shot.

Per district policy, all 7th grade students are required to submit an updated DH 680 form to include Tdap, prior to the start of 7th grade.

Spring Testing

Dear Parents,

As we wrap up the last quarter, we also have our end-of-year assessments. Please help your child prepare by making sure they get a good night's sleep, eat a healthy breakfast, and arrive to school on time. Thank you so much for your support!

THINGS TO KNOW:

- Testing begins at 8:45. Most testing should end by noon.
- Please refrain from scheduling morning appointments on testing days. If a student leaves campus before completing a test session, they will **not** be allowed to return to that session.
- If a student is late to school, they may not be able to join a testing session that has already started.
- Students are not permitted to have any electronic devices, including, but not limited to, cellphones, smartwatches or earbuds at any time during testing or during breaks, **even if the devices are turned off or students do not use them**. If a student is found with an electronic device, their test will be invalidated.
- Please refer to the 'Parent Notification Letters' posted on the PVA website testing link for additional information.
- Make-up exams will be given as soon as possible upon a student's return to school.

School Nurses – Alice Fasula and Kara Whitchurch

Healthy Testing Tip for Spring Exams:

Start your day with a good breakfast!

Whether you sit down to eat or grab and go...breakfast makes a difference!

- Improved Concentration and Memory
- Better Test Scores
- Increased Energy

BREAKFAST TIME!

BIKE SAFETY: Helmets are important!

Students should be wearing their helmets when riding to and from school.

- **EYES** Helmet should sit level on your head and low on your forehead – one or two finger widths above your eyebrows.
- **EARS** Adjust the slider on both side straps to form a V-shape under and slightly in front of each ear.
- **MOUTH** Open your mouth wide. The helmet should pull down on the head.

WHEN Riding Bike

Wear bright neon or reflective colors so that you can be seen by others.

Keep your brain safe. Wear a helmet.

Check your breaks and tires. Make sure they work properly.

Control your bike by having at least one hand on the handle bars.

Look both ways and every way before crossing a street.

Watch for potholes, glass, gravel, and other hazards. These can cause accidents.

Illness Guidelines: In an effort to reduce the spread of illness, please keep your child home if he/she is not feeling well. Our webpage has some checklist tools for guidance in determining if your child is appropriate for school.

A good day of rest at the beginning of illness can set your child up for a faster, healthier recovery.

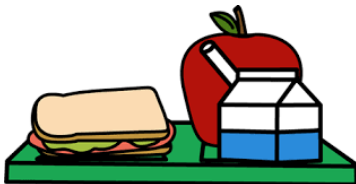

Just For Laughs: Why did the dalmatian go to the eye doctor?

Answer: Because he kept seeing spots.

News From Our Cafeteria

On December 1st 2021, St Johns School District Cafeterias went back to full pay Breakfast and Lunches. If any child does not have money on there account Palm Valley Academy will always feed your child a Breakfast or a Lunch. If you pay online with paypams you can check your child's account balance and daily activity as well. We have many kids here at PVA with unpaid café accounts. You can check these on paypams or e-mail

Christopher.parker@stjohns.k12.fl.us.

Gradventure News

We just want to remind 8th grade parents that have registered and are paying for the 8th Grade Universal/Gradventure trip May 13 that all payments must be in by April 15 (paid through KellyTours.com – Trip # 15086). School permission slips must be on file with Mrs.

Anzualda by April 15, as well. In addition to these steps, all 8th grade students must complete the End of Year contract presented during the recent presentation from Dean Velsor.

Beginning May 2, students attending Gradventure will be allowed to choose a partner to sit with on the bus. Upon arrival and disembarking the buses at Universal, students will be able to group up with their friend groups to hang out with throughout the evening. Students will receive a wrist band, the cellphone number of their chaperone, and a coupon to purchase dinner inside the park.

Please direct questions to Mrs. Anzualda, Middle School Counselor. 904-547-4216 dawn.anzualda@stjohns.k12.fl.us

Media Center News

In the **Media Center**, we have two students who have read and reviewed all 15 of the **SSYRA** books (Yippee!). Welcome to the Window Wall of Fame:

2nd grader **Vivian Schwichtenberg** and 5th grader **Olivia Ketterman**

2021-2022
Grades 3-5

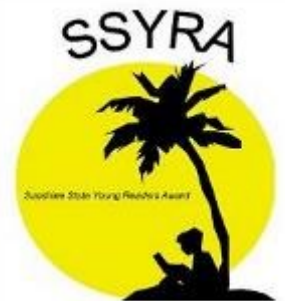

Attention! Attention!

All of you who have been reading away on all the **SSYRA** books, it's almost that time again!!!

Students who have read **at least 3** of the books can vote for their **favorite one!!**

****Voting will begin on March 7th, close on April 15th, and take place in the media center****

For all bobcats in grades 2nd through 8th we will be doing a take on a March Madness bracket called **"Tournament of Books"**

This is different from our SSYRA voting. We will start with our **Elite 8**, followed by the **Final 4**, then the **Top 2**, ending with the most **Favored 1**

Students will have a chance to vote for their **favorite book** each week until we have a winner of the most beloved book for school year 2022.

****Voting for your favorite book will begin on April 1st, end on May 20th, and take place in the media center****

Media Center News

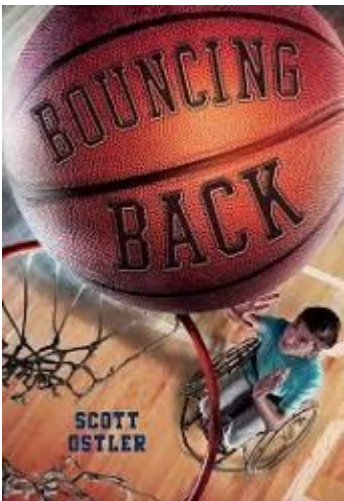

Battle of the Books is a **voluntary reading incentive program for students**. The purpose is simply to encourage students to read good books and have fun while competing with peers.

The **Battle of the Books** competition was held virtually on March 7th . Our elementary team went up against other elementary schools within the district. They did great and gave it their all! We finished **4th place** overall!! Way to go team!

For our **Middle School Bobcats**, the highlight book for April is **Bouncing Back** by Scott Ostler. Read the book and stop by the media center for the activity and earn a prize!!

Thirteen-year-old Carlos Cooper used to be the star of the team. Back in his old basketball league, he took every shot he possibly could - even if he had to steal it from a teammate - and he made every single one of them. But, on his new wheelchair basketball team, he's back to being just one of the players, nothing special. When the city closes down his league's gym, Carlos soon finds himself even more adrift. Without the gym, they can't practice, and if they can't practice, they might as well kiss their dreams of a State Championship win goodbye. It's only by learning to work together that Carlos and his new teammates will be able to save their gym, and Carlos will have to learn what it takes to be a member of the team so he can fully embrace his new friends.

PTO Board Openings and Committee Chair Needs

All board positions are up for election Monday, April 11 (6 p.m. via Zoom) (except for Treasurer). Details located at <https://pvapto.org/>.

For committees next year, the following committee chair positions are open:

- Fundraising: decide on fundraisers and help manage fundraisers with support from the board.
- Teacher Appreciation Committee
 - Teacher Appreciation (Overall): Help with teacher appreciation week but also plan and execute small tokens of appreciation for teachers throughout the year (e.g., stock the staff lounge organization, small tokens of appreciation maybe 4 months out of the year, decorate teacher of the year doors)
- Back to School (First Day folders)

If there is a committee chair and committee support for these events, then some other committee positions that are open are listed below.

- Middle School Dances Committee Chair and Committee
- 5th grade celebration Committee Chair and Committee
- Bingo Nights Committee Chair and Committee
- 8th grade semi formal Committee Chair and Committee
- 8th grade promotion Committee Chair and Committee

Test Proctors Needed

Test Proctors are needed to help proctor FSAs and middle school exams and EOCs. Test Proctors are crucial to ensure that these tests are given and that staff members are not shuffled around to cover as Test Proctors.

Palm Valley Academy Extended Day Newsletter

April 2022

What A Great Year!

I hope everyone had a very fun and restful spring break! We were very excited to come back and see the kids and hear of their vacation stories!

We have some fun filled weeks coming up to end our year here. One day, in particular, will be Wednesday, May 24th where we will be holding our field day! Lots of team games, face painting and ice cream as well as a student against group leader kick ball game!

Registration:

Registration is now open!

Please see our PVA website (link below) for the registration links. We do fill up fast so please do not hesitate if you are in need of a spot. We are limited to 25 students per group. If you receive a waitlist notification, please do not pay the registration fee. That does not secure your spot and it is not refundable. If you are put on the waitlist, you will be notified as soon as there is a spot available for your student. Please reach out if you have any questions or concerns.
