

Meet Mrs. Straw

About Me

I am so excited about starting a fabulous year at PVA! I'm a Jacksonville Native and I was a teacher in Duval County for 13 years and had the pleasure of teaching K, 3rd, 4th, and 5th grade. I have 2 awesome sons that are 9 & 8 and we LOVE baseball! I am looking forward to the coming school year because it's going to be GREAT!!!
