Palm Valley Academy: Weeks of 5/12 – 5/26

Dear PVA Families,

On behalf of everyone at Palm Valley Academy, I want to start off by extending heartfelt wishes for a very Happy Mother's Day to all the incredible mothers, grandmothers, stepmothers, and maternal figures out there in our community.

Mother's Day is a special time to honor and celebrate the love, sacrifices, and unwavering support that mothers provide every day. Whether you are a biological mom, an adoptive mom, a foster mom, or someone who takes on a similar role in a child's life, your influence and care make a profound impact on our children and families.

To all the mothers in our community, we recognize and appreciate the dedication, patience, and love you pour into shaping the lives of our future leaders. Your strength and resilience inspire us all.

Let's take this opportunity to show our gratitude and express our love to the remarkable women in our lives. May the rest of your day and week be filled with joy, laughter, and memorable moments with your loved ones.

Happy Mother's Day!

-PVA

It seems like just yesterday that I was beginning my first year as Principal at Palm Valley Academy, eagerly opening the arrival gates and enthusiastically welcoming hundreds of excited, smiling, and ready-to-learn children for the first day of school. As we now approach the final two of weeks of the year, I wanted to take a moment to reflect, express gratitude, and share some important updates and reminders with you.

First, I want to extend my heartfelt gratitude to each of you for your continuous support, trust, and collaboration throughout this academic year. Your involvement in your child's education has been both invaluable and instrumental in helping to establish the thriving and vibrant learning environment and community that is Palm Valley Academy.

As we approach the end of the school year, here are a few important points to keep in mind:

End-of-Year Celebrations: We have planned various end-of-year celebrations and activities to commemorate our students' achievements and hard work. Please refer to the school calendar or communication from your child's teacher, or administration for specific details and timings. As a reminder, ALL volunteers and visitors must be a previously approved and cleared.

School Closure and Summer Break: The last day of school is Friday, May 24th and it is an early release (1:50pm dismissal). We will provide information regarding any end-of-year procedures or materials that need to be returned. We wish all our students a safe and enjoyable summer break filled with fun and relaxation.

Gratitude to Families: Your support, encouragement, and involvement in your child's education throughout this year has made a significant difference. Thank you for entrusting us with your student's learning journey and for being active participants in their academic and personal growth.

Looking Ahead: As we conclude this school year, we are already looking forward to the exciting opportunities and experiences that the next academic year will bring. Communications for next year will begin rolling out the first week of July. Stay tuned for updates and important announcements regarding the upcoming 2024-2025 school year.

Please feel free to reach out to us if you have any questions, concerns, or need clarification on any matter related to the end of the school year.

Thank you once again for being part of our school community. Let's celebrate these final weeks together and be grateful for all the memories we've created this year.

Gratefully,

Zach Strom

PARENT INPUT FORMS (K-4)

We spend a lot of time creating elementary classes & middle school master schedules for our students. We truly believe that finding that right match and creating the opportunity for a solid relationship between a student and a teacher is the basis for a successful school year. We want you to know that throughout the process, we discuss each child individually and strive to make that best match. We cannot promise that we do not make any mistakes, but we do want you to know that many hours are spent on this process, and we do our very best for each of your children. Please know, we do not take teacher requests. However, if you would like the opportunity to share your child's specific needs and the type of teacher that you feel they need, please complete this form by the last day of school, Friday, May 24th. [Complete the parent input form for your student HERE!](#)

MIDDLE SCHOOL PE CLASSES (6-8)

As we approach the end of the year, please note that we are no longer dressing out for PE. Instead, classes will meet in the gymnasium daily, unless otherwise noted. Coaches will be taking this into account when planning activities, especially considering the increasing temperatures as we near summer.

Dear Parents and Guardians,

We are excited to announce a new tradition for our 8th graders here at PVA called "8th Grade Gold Letters." As your child approaches their graduation, we believe it's important to celebrate their achievements and provide them with words of encouragement and congratulations as they transition to the next chapter of their lives.

We kindly ask that each family participate by submitting a sealed letter addressed to your child by May 12th. You have the freedom to make this letter as long or as short as you'd like, and it can be typed or handwritten—whichever feels most personal to you. This letter will be a cherished keepsake for your child, filled with your heartfelt sentiments and support.

Mail or bring letters to Palm Valley Academy by May 12th to ensure your child receives the letter at the 8th grade breakfast.

"Please DO NOT send packages as we have limited storage space available"

Drop off in the front office, OR mail your letters to:

One last request, please ensure that these "Gold Letters" remain a secret, as they will be kept confidential until they are distributed at the 8th grade breakfast the morning of graduation. We want this to be a surprise that brings them added joy and warmth in the moment and leaves them feeling loved and celebrated as they embark on this important milestone in their lives.
