

# AFTER SCHOOL COOKING CLASS

## GRADES 2-5

### Learn to Cook While Having Fun!

Join us for a culinary adventure! Our youngest Junior chefs will learn the skills required to follow basic and advanced recipes, developing personal confidence, growth and creativity.

#### What We Offer

- Hands on, creative cooking lessons designed for beginner to advanced levels
- Learn new cooking and baking skills
- Explore flavors from around the world
- Have FUN, while making new friends

**Chefs  
Maria &  
Bethany**

#### About Us

Create a Cook is dedicated to cooking instruction that promotes self-confidence and creativity. Our lessons are interactive and educational inspiring students to 'think like a chef' while learning basic to advanced culinary techniques and discovering a love of cooking.
