INFO FOR ALL (K-8)

A Message of Safety from Deputy Wilson (2 of 3)

Hey Parents and Friends of Bobcats everywhere! Please help us keep our students safe. As your school's assigned Deputy, I must ask that everyone please the protocols established for our campus and beyond. There is no perfect solution for everyone, but what is done helps us safely move well over a thousand students and staff, plus buses and cars each day.

- Low Speed Vehicles MUST have a Florida tag and be insured (just like an automobile) if you wish to drive them on campus.
- Golf carts are NOT permitted anywhere on campus but the golf cart loop.
- The streets within Twenty Mile up to "the bridge" are public roadways under the authority of the St. John's County Sheriff, not the school district. If you have concerns, please direct them to:
<https://www2.sjso.org/form/trafficcomp.html>
- Stone Ridge Dr. and Whisper Rock Dr. are not engineered for dropping off children to bypass the line. If school bus transportation is not available, please arrange for your child to be a biker/walker or car line. Extended day is also available if needed.

PVA Hardship Application (Families in Need)

Families who are going through some sort of a hardship for whatever reason can apply for various different types of assistance at PVA. Please feel free to share this link with those in need or apply and submit today.
